

## Exciting Times at Wiley-IEEE Press!

IEEE Press partners with John Wiley & Sons to publish high quality books on cutting edge technical engineering topics. No other brand is better known or more respected. By partnering with Wiley, we are better able to serve the engineering community with the most up-to-date, relevant content for all engineers.

- ◆ **NEW! Short Books** format between 80-120 pages on current topics. For more information on writing a short book for us, contact Mary Hatcher at the e-mail below
- ◆ **AUTHORITATIVE AND CUTTING EDGE:** Wiley-IEEE Press has the most authoritative, timely books for all engineers
- ◆ **COVERING IN DEMAND TOPICS:** A variety of topics to help you quickly target solutions at every stage of your career.
- ◆ **QUALITY CONTENT FROM TRUSTED PARTNERS:** Wiley-IEEE Press authors are experts in their respective fields and share a commitment to providing high quality content that is thoroughly vetted
- ◆ **DISCOUNTS!** We offer a 35% discount to IEEE members on items purchased from the [wiley.com](http://wiley.com) website. E-mail us at [ieeepress@ieee.org](mailto:ieeepress@ieee.org) with your name and IEEE member number to obtain the discount code

### Find Our Books Here:

- ◆ IEEE Xplore
- ◆ Wiley.com
- ◆ Amazon
- ◆ and others!
